Scotland's Premier website for **SHOOTING. STALKING. FISHING**

Introduction

countrysportscotland.com is now recognised as the national website for country sports in Scotland. The website was developed by the Scottish Country Sports Tourism Group (SCSTG) in 2009. As well as consumers being able to search for preferred sport in their chosen region of Scotland, the website hosts many useful pages [sporting offers](#), [news](#) and [events](#) and [travel information](#) (including travelling with firearms). Each sport has an educational page including seasons and there is plenty more information to cater for every need such as beginners', ladies', clothing and equipment, [sporting etiquette and conservation](#).

The website was re-launched in early May 2013 after a successful make over. Added features now include Google maps, better search and social media links.
