Testimonials

Mar Lodge Estate - Sporting Provider

The Country Sport Scotland website has proved to be a useful tool in marketing Sporting availability on the estate to clients we would not otherwise have access to. Regular enquiries are received from the website from a diverse range of nationalities, particularly regarding late availability lets. Many of these convert into let days allowing us to fill in blank days on the sporting calendar. It is also very helpful that the website itself is bright, colourful, informative and easy to navigate by prospective clients.

Fiona McCulloch - Estate Secretary

Highland Lodges – Agent

Highland Lodges provides a range of bespoke services to guests visiting Scotland, including sporting weeks on private estates. It is important for us to have a presence in this field, and our involvement with the SCSTG provided just that. We are in contact with a number of estates who may offer us weeks or last minute offers – we are now in a position, very quickly through the website portal, to get these offers in front of the people that would be interested. The site includes a wealth of information, but most importantly, I feel it allows all those who are involved in the provision of country sports, the opportunity to work close together in providing the best opportunities to guests from experienced to novice. Increased awareness of ‘how’ and ‘when’ will hopefully bring rejuvenation to country sports.

Nicki Barnett (Senior Partner) – Highland Lodges

The SCSTG Team have worked tirelessly to promote Scotland which has benefitted West Highland Hunting. The website is well presented and becoming popular with visitors, all our sporting offers marketed through countrysportscotland have sold quickly.

MacIntyre & Thomson Ltd - Agent

The Country Sports Tourism Group has delivered extremely valuable exposure for our agency within the field of country sports. The staff are incredibly helpful and enthusiastic, providing a truly excellent service. When considering all of our advertising exposure, the CSTG platform has repeatedly provided the most number of useful contacts from customers, and therefore we regard the service as very successful and of great value. For anybody who works within the field of Scottish Country Sports, or promotes such, I would thoroughly recommend using the CSTG Scotland services.
